

## **Florida Therapy Services Celebrates Their 25<sup>th</sup> Year**

**Panama City, FL, September 11:** Florida Therapy Services is celebrating their 25<sup>th</sup> Anniversary this September with an Open House Ribbon Cutting at the new Corporate office in downtown Panama City on Friday, September 13<sup>th</sup>, from 11:30 AM – 1:30 PM, with a 12:00 PM Ribbon Cutting.

Florida Therapy Services was founded in 1994 by owners Teri and Rollin Cable. With modest beginnings, Florida Therapy opened their doors in Tallahassee with only 3 employees and 4 patients. Now, 25 years later, they employ 200 staff members including therapists, case managers, physicians, and APRN's throughout 18 counties.

Immediately after Hurricane Michael, FTS deployed services in multiple locations, in multiple counties, to assist and treat our clients. The freestanding clinic on 15th Street was devastated, and services were immediately relocated to our Corporate location in downtown Panama City in order to see our patients quickly. With our Panama City clinic in place once again, FTS build out the building adjacent to the clinic as the new home for our Corporate office.
